Ceremonies

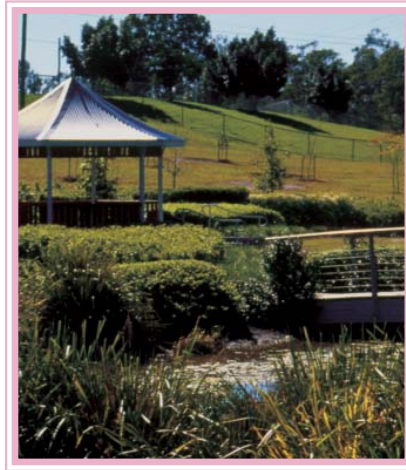

Alexander Clark Park - Dewar Drive, Loganholme
 Situated on a peninsula of the Logan River, the lower level of Alexander Clark Park makes a picturesque backdrop for an outdoor wedding. The lush bushland setting of this vast park is ideal for large weddings, or those after some 'rustic' charm.

Concourse Park - The Concourse, Underwood
 Set in the quiet streets of "The Domain" estate, Concourse Park offers a lovely bushland setting ideal for an outdoor wedding. There is also a dam with a viewing platform and gazebo.

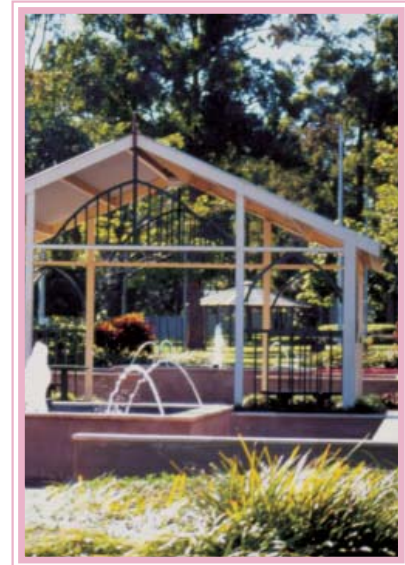

Lancaster Park - Cnr Kingston-Beenleigh Road and Chambers Flat Road, Waterford West
 Otherwise known as "The Rose Garden", Lancaster Park is a very popular choice for weddings due to the magnificent roses throughout the entire park. Located on the corner of two main roads, this park is easy to find, however the gazebo is set back from the road, to allow privacy. (Please note that the roses are pruned from mid June to the end of September each year and therefore there is no guarantee of roses at that time.)

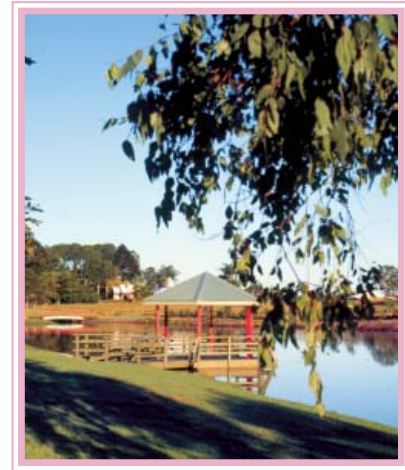

Underwood Park & Underwood Lagoon - Underwood Road, Priestdale
 This park features a small gazebo set behind a pretty lagoon, which has a decorative bridge that doubles as a stylish 'aisle' for the bride's grand entrance. Further along Underwood Road is Underwood Lagoon, a large wetland area that has a boardwalk and viewing platform, and makes an excellent backdrop for photos.

Logan Gardens - Civic Parade, Logan Central
 Situated close to Wembley Falls, Logan Gardens is an attractive landscaped park. There are many charming grassy spots under large gums, which provide ideal locations for a ceremony. There are also plenty of photo opportunities within the park. (Logan Gardens is featured on the front cover.)

Forestglen Park - Cnr Parkland Avenue and Browns Plains Road, Browns Plains
 A purpose-built gazebo and water features make Forestglen Park one of our most popular parks for weddings. It is located on a main road, which makes it easy to find for your wedding guests, and is set far enough back from the road to provide privacy from passing traffic. Forestglen Park is beautifully landscaped, which creates a romantic setting and offers the perfect backdrop for stunning photography.

Riverdale Park - Armstrong Road, Meadowbrook
 Set out over a small lagoon is a floating gazebo. This area creates an intimate area for a ceremony, with ample space on the bank for your guests. Riverdale Park is a large, open park and features a second spacious gazebo on the hill.

Wembley Falls Park - Cnr Wembley and Station Roads, Logan Central
 With such a charming waterfall and a pretty gazebo, Wembley Falls Park is fabulous for photos. The park has a lovely grassed area and landscaped gardens to complement the waterfall.
